A Message from the Chairman

Welcome to our 2020 Spring & Summer Shows schedule. I would like to draw your attention to the cover photo – an evocative picture by Eddie Meayers, depicting, I feel, all seasons of the year.

Do study the schedule carefully and any queries can be answered by Sue Rogers, our Show Secretary on 384891. She will be ready with help and advice on all show matters.

Above all do please enter a class or two, there really is something for everyone. You do not need to be a Mersea resident to enter, it is open to all and children and grandchildren will find classes to suit them as well.

Looking ahead to our meetings, these are held at the Mersea Museum (except April which is at the MICA) and take place on the second Tuesday of each month. We have some good speakers booked. We also have three interesting trips planned for next Summer, you can contact Victor Weeks on 386840 for details.

The 2020 Spring Show takes place on 21st March and the Summer Show on 22nd August, both at the MICA. Remember that the schedule covers both shows. All entry details are available on our website.

Now get planting and keep gardening! I look forward to meeting you at the shows.

HINTS FOR EXHIBITORS

GENERAL

We would like to encourage many more people to exhibit. It does not require great expertise or special knowledge. We have all had to start somewhere!.

The single most important rule is to READ THE SCHEDULE. Make sure that your exhibit is not classed as N.A.S., Not According to Schedule. Try to make your exhibit look as attractive as possible. All exhibits, whether they win a prize or not, go to make up the Show. Evenness, freshness and freedom from disease are more important than size, unless stated.

EXHIBITORS MUST COLLECT THEIR ENTRY CARD FROM A MEMBER OF THE COMMITTEE ON ARRIVAL. For the information of the public, if possible all exhibits of flower, fruit or vegetable varieties should be named, please write this on both sides of the entry card.

Before judging, the show secretaries will make sure that all entry cards are turned over, so that the exhibitors name is not visible. After judging they will be placed face upwards.

VEGETABLES

They should be cleaned, using plenty of water and a sponge. It makes for better presentation if tops are trimmed and bound with raffia, or an equivalent. Be careful, when lifting carrots and parsnips not to break the long 'tail'.

i) Parsnips, carrots, cabbages, beans and beetroot are usually just laid on the table.

(ii) Potatoes, tomatoes, shallots and peppers are best placed on a white paper plate.

(iii) Shallots should be mounted on a dish of dry sand, and onions on cardboard rings, such as ones cut from kitchen roll containers.

- (iv) Brassicas should have not less than 75mm of stump left.
- (v) All varieties of peas and beans should have stalks attached.
- (vi) Courgettes can be up to 200mm in length or 75mm in diameter for round cultivars.

FRUIT-to be exhibited on White Paper Plates

Try to avoid removing the natural 'bloom'.

- (i) With the exception of peaches, nectarines and apricots, all fruit should be shown with stalks.
- (ii) Apples and pears should retain their natural bloom.

FLOWERS

Make sure that they are firmly in the vase and drawing up water. Kitchen roll helps to wedge the stems in the vase.

If five blooms are asked for, arrange three above and two below, or vice versa. If three are asked for, place them two and one.

The size of the pot is the internal measurement. Avoid using outer containers for the pot. If the schedule states 'not exceeding', it is quite in order to use a smaller size.

CULINARY

All preserves to have metal screw tops, free from rust, or cellophane jam pot covers.

Jars to be free of advertising.

Labels to state type and day, month and year made.

SPRING SHOW RECIPE

DATE & WALNUT LOAF

Soak 225g (8oz) chopped dates & ¼ tsp bi-carbonate of soda in ¼ pt (150ml) hot tea for an hour.

Cream together 75g (3oz) margarine, 60g (2 ½ oz) brown sugar and 1 tblsp black treacle and then beat in 1 egg. Add 225g (8oz) SR flour, 50g (2oz) walnuts and the date mixture and pour into a 2lb loaf tin and bake at Gas 4/180C for approx 1 hour.

SUMMER SHOW – RECIPE

COURGETTE & LIME CAKE

250g (9oz) courgettes	2 eggs
125ml (4 ½ fl oz) vegetable oil	150g (5oz) caster sugar
225g (8oz) self raising flour	½ tsp baking powder
¼ tsp salt	zest of 1 lime

Icing: 100g (3 ½ oz) full fat cream cheese, 250g (9oz) icing sugar and zest and juice ½ lime.

Pre heat oven to 180C/160C Fan/Gas 4. Grease 20cm tin and line with baking parchment.

Grate courgettes coarsely (no need to peel them). Put eggs, oil and sugar in a bowl and beat until creamy. Fold in flour, baking powder and salt. Stir in courgettes and lime zest. The mixture does look unusual but bear with it as it completely transforms when baked!

Pour mixture into tin and bake for 30-40 mins until golden and firm to touch. Remove from oven, leave in tin until completely cool.

Beat together cream cheese, icing sugar and lime juice until smooth. Spread over top of cake and sprinkle with lime zest.
